

2016 KARITOS VOLUNTEER POLICY & AGREEMENT FORM

Our procedure in regards to volunteers is as follows:

If you volunteer for one three-hour shift during the conference, you will receive \$30 off of your adult registration fee. If you volunteer for two three-hour shifts, you will receive \$60 off. You will be notified of your shift days and times two weeks prior to the conference.

All volunteers assigned to work on Thursday must report to the volunteer station located in the lobby of the Living Water Community Church auditorium at 8:00 am for a briefing and short tour of the site with the Volunteer Coordinator. If you are scheduled to work at any other time, you should report to the same location on Friday July 15th at 8:30am for a briefing with the Volunteer Coordinator.

We appreciate the invaluable service that you as a volunteer provide to Karitos and we want your time at the conference to be blessed. In the event that you have a conflict between your scheduled shift and a session or activity of particular interest, it may be possible that you can *trade shifts* with another person on the volunteer list. At the same time, we want you to know that you will be working at the discretion of the Volunteer Coordinator and it may not be possible for you to attend every session or activity workshop that you would like.

**If you are interested in serving, please call 847-925-8018 for further instructions.
