

VOLUNTEER POLICY & AGREEMENT FORM

Our procedure in regards to volunteers is as follows:

If you volunteer for one three-hour shift during the conference, you will receive \$35 off of your adult registration fee. If you volunteer for two three-hour shifts, you will receive \$65 off. You will be notified of your shift days and times two weeks prior to the conference.

All volunteers assigned to work on Thursday, July 11 must report to the volunteer station located in the lobby outside the Grace Community Church sanctuary at 2:30 p.m. for a briefing and short tour of the site with the Volunteer Coordinator. If you are scheduled to work at any other time, you should report to the registration desk inside the main conference doors (far right at top of stairs/ramp) at the Open Bible Church on Friday, July 12 at 8:30 a.m. for a briefing with the Volunteer Coordinator.

We appreciate the invaluable service that you as a volunteer provide to Karitos and we want your time at the conference to be blessed. In the event that you have a conflict between your scheduled shift and a session or activity of particular interest, it may be possible that you can *trade shifts* with another person on the volunteer list. At the same time, we want you to know that you will be working at the discretion of the Volunteer Coordinator and it may not be possible for you to attend every session or activity workshop that you would like.

Please retain this first page for your reference. Complete and return the second page to be added to our volunteer pool.

We are so excited and thankful for your interest in volunteering to make Karitos '19 an amazing experience!
